Pearl Lake Protection and Rehabilitation District Taxpayer,

This notice is being sent to you, informing you that there will be a Special meeting of the Board of Commissioners on Monday, May 29, 2023 at 9 am. at the Georgen Residence, W4885 North Pearl Lake Rd.

The purpose of this meeting will be to approve a milfoil treatment that is in excess of \$10,000 but not to exceed \$35,000. Commissioners need to approve a transfer of needed additional funds from the Water Quality Fund; that exceed what is currently allotted in our annual budget.

Hope to see you on Saturday, May 27th at our traditional Memorial Day Meeting.

PRD Commissioners.
